

Part-time recruiters (Ref: 0904REC)

We are currently looking for recruiters who are able to introduce their friends, colleagues or relatives from all walks of life to participate in qualitative research. This can be in the form of one-on-one depth interviewing, focus groups, consumer workshops, home visits and shop-alongs. You can work from your free time and salary is based on a project basis. You will be remunerated if the person that you introduced qualified and attended one of our sessions.

If you currently have a good network of contacts who:

- Frequently purchase luxury products such as handbags, accessories and jewelry
- With good income and good living standards
- Like to talk about brands and share their shopping experience with others

Please send your personal details to [recruiter@strategicfocus.com.hk](mailto:recruiter@strategicfocus.com.hk) together with your contact number. Please note that only suitable applicants will receive a reply.
